

# TWELVE COUNTIES TO MAKE EXHIBITS

Southside Virginia Fair Will  
Be Held in Petersburg.

## INJURED IN AUTO ACCIDENT

Anti-Tuberculosis League Officers Discuss Plans for Work.

Times-Dispatch Bureau,  
109 North Sacramento Street,  
Petersburg, Va., October 24.

The Southside Virginia Exhibit, comprising the agricultural products, live stock and manufactures of the Southside section, will be held in this city on Thursday, Friday and Saturday of this week. Two large warehouses—Moore's and the Virginia—on Market and Friend Streets, affording large and convenient space for display and abundant room for live stock, are being prepared for the exposition.

Twelve counties will be represented in this exhibit, and they are coming forward in such manner as to fill all available space with the finest products of this growing and progressive section of the State. It is believed that the corn, tobacco and peanut exhibits will be among all sections, the finest ever seen in the State. In the corn exhibit especially, the result of the boy demonstration work will be shown to advantage, and some wonderful exhibitions of the yield under intensified farming will be shown. Hundreds of boy farmers in this section are engaged in demonstration work, and they will be contestants at this fair.

The crops of tobacco and peanuts in this section this year are the finest known in many years, and the exhibits of these crops will be especially good. The live stock show will be large, the domestic department showing the skill and handiwork of women will be full, and the manufacturers will be varied.

Interesting features of the fair will be practical and educational addressed each day by men of experience, addresses on the cultivation of various crops, to the young as well as to the old farmers. On Saturday there will be parades of live stock and of work horses.

**Injured in Auto Accident.**  
A party of several young men, said to be from Richmond, riding in a hired automobile, met with an accident Saturday night out on the Turnpike road, near Petersburg. They had been riding about the city and were on their return trip home when the machine struck the roadside ditch and was overturned. The riders were all thrown, and two of them, it is reported, were more or less injured. The names of the riders are not known here. They returned to Richmond that same night on an electric car, and left the disabled auto to be repaired after later.

**Anti-Tuberculosis League.**

A meeting of the officers, directors and committees of the Anti-Tuberculosis League, organized last week, was held to-night in the Chamber of Commerce, and plans for immediate work were discussed. The league has over \$2,000 in cash in hand and pledges for an equal amount. This amount will be largely increased by membership fees and contributions, and the city gives an annual sum of \$1,500. The purpose of the league is to establish a hospital for the special care and treatment of tubercular patients, and the liberal-hearted people of Petersburg will make this movement a success.

**Normal and Industrial Institute.**

The Colored State Normal and Industrial Institute, near this city, is crowded with students of both sexes this year. It has 567 students in attendance, and for want of accommodations was forced to turn away 150 who applied for entrance. This is, therefore, the greatest year in the history of the institution, to the support of which the State gives \$20,000 a year. Last year \$24,000 was collected from the students for board, and though the institution only began this session in September, about \$12,000 has already been paid by students. All the industrial branches, including farming, are taught at the institute, and the graduates go out prepared for useful life.

**Cigarette Factory Reopened.**

The cigarette factory of the British-American Tobacco Company, which was closed some months ago on account of the high duty imposed on its export products, has resumed operations and will soon be working at full capacity.

It is understood that the best of the exhibits at the Blackstone and Chesterfield Fairs will be brought to the Petersburg Fair.

There was a large attendance at the rally yesterday of the Washington Street M. E. Church Sunday school. The exercises were of a very interesting and attractive character.

**The First Frost.**

The first frost of the season was not probably heavier in the lowlands. It was not severe enough to do any material damage.

Miss Bridget Metosh, aged about nineteen years, died at her home in the western part of the city this morning. Mr. Murdoch, the Dinwiddie farmer, who was so severely injured in a runaway accident Saturday afternoon, was regarded as somewhat better to-day, but his condition is still serious.

Several well-known young men of this city who went on a fishing trip in a motor launch Saturday afternoon got aground and were forced to spend the night on the mud flats of the Appomattox.

**KILLED WHILE HUNTING.**

**George B. Garrick Meets Accidental Death While Shooting Ducks.**

(Special to The Times-Dispatch.)  
King William, Va., October 24.—Geo. B. Garrick was killed accidentally Saturday at Pipingree Ferry while shooting ducks. Mr. Garrick came from Illinois to this county the first of this year and was living with J. H. Harrington. He had a wife, two children and a brother, who has been living in this country for several years. He was originally from Scotland.

**Congregation Elects Officers.**

(Special to The Times-Dispatch.)  
Danville, Va., October 24.—At a recent meeting of the congregation of "Aetz Chayim," the following officers were unanimously elected for the ensuing term: M. Aronson, president; H. Greenbaum, vice-president; H. S. Verman, treasurer; H. L. Greenberg, financial secretary; Trustees: J. Berman, chairman; H. Cohen, A. Rosenberg, C. H. Hordish and Morris Cohen.

**Take in Circus at Greensboro.**  
(Special to The Times-Dispatch.)  
Danville, Va., October 24.—Quite a number of Danville people motored down to Greensboro Saturday evening to take in the circus, which is showing to-night in that place. Thousands were disappointed Thursday when there was no show here, on account of wet, muddy grounds. Several went down on the fast mail late this afternoon.

## COMMONWEALTH OF VIRGINIA Department of the State Corporation Commission

City of Richmond, 10th day of October, 1910.

The following corporations having failed for two successive years to pay the annual registration fees due by such several corporations, after having been duly assessed therfor for the years 1908 and 1909, and such failure having continued for ninety days after the expiration of such two years, by operation of the Constitution and laws of the Commonwealth of Virginia, the charters of such domestic corporations and the certificates of authority to do business in Virginia of such foreign corporations are revoked and annulled, and the fact of such revocation and annulment is by the State Corporation Commission hereby ordered to be published once a week for four successive weeks in a daily newspaper published in the city of Richmond, Virginia.
